The explanation shall be reviewed by the Tournament Committee during the Tournament or by the Tournament Director after the completion date of the Tournament and in case of acceptance of the circumstances, the ban may be waived. The player shall be informed of the decision 7 days before the commencement date of the next Tournament at the latest. The decision may be appealed before the PGU Board. The appeal shall be submitted within 7 days of receipt of the decision from the Tournament Committee.

7. Starting times, starting groups:

- a) Each player should be ready to play 5 minutes **before his starting time** at the starting point and time set by the Tournament Committee. If the player arrives at his starting point, ready to play, within 5 minutes after his starting time (Rule 6-3), the penalty is a loss of the first hole in Match Play or two strokes on the first hole in Stroke Play. In case when the player arrives 5 minutes past the set time, he or she will be disqualified. If the Tournament Committee determines that the player was not able to start due to special circumstances, it has the possibility not to penalize him or her. Official starting time is measured by the clock placed on the start.
- b) Except for the Polish HCP Championships, Polish Junior Club Championship, Polish Senior Club Championship and Polish Club Championship, Men and Ladies shall be drawn in separate starting groups. The Tournament Committee is allowed to decide to seed men and ladies in one start group. Information about such fact shall be announced during announcing start lists for next day.

- c) Player must finish the stipulated round in the same starting group in which he commenced the round. Wilful change or joining of starting groups by players is not allowed. Penalty for breach of this condition is disqualification (Rule 6-3 b.).

8. Slow play, pace of play:

Pace of Play sheet – Tournament Committee shall set the time in which a group shall play the stipulated round, a hole or a stroke. Each group must hold its position on the course in relation to the preceding group. First group will be deemed “out of position” if their playing time exceeds the time laid out in the pace of play guidelines. Each subsequent group will be deemed “out of position” if the time difference between them and the preceding group exceeds the difference in starting times. The group which exceeds the time difference shall be warned by the Rules Official. If after the next two holes the group is still “out of position”, the group shall be timed without additional warning. The time for the stroke shall not exceed: for the first player in the group – 50 seconds for an approach shot, chip or putt and 40 seconds for a tee shot or the shot of the second, third and fourth player in the group. Outside the putting green the time for the shot begins from the moment when the player has ample time to reach the ball, it is his turn to play and he can execute the shot without outside interference. Time spent on measuring distance is treated as part of the time reserved for the stroke. On the putting green time for the stroke begins when the player had ample time to lift, clean and replace his ball, repair pitch marks and old hole plugs and remove loose impediments from his putting line. Time spent on reading the putting line is treated as part of the time reserved for the stroke. If any of the players in the group exceeds this time, he or she will be considered as delaying play and will be accordingly penalised by the Rules Official.

Penalties for delaying play in stroke play rounds:

- **First offence: one penalty stroke.**
- **Second offence: two penalty strokes.**
- **Third offence: disqualification.**

Penalties for delaying play in match play rounds:

- **First offence: lost hole**
- **Second offence: lost hole**
- **Third offence: disqualification.**

9. Suspension of play due to adverse weather conditions:

If the Tournament Committee decides for any reason that the course is unfit for play or that there are circumstances making play impossible it can decide to suspend the round or cancel the round and all of the results from the round.

10. Suspension of play due to a dangerous situation (note to Rule 6-8b):

In potentially dangerous situations the Tournament Committee may suspend play in the following manner:

a) **Immediate suspension of play – one long fog horn signal:**

If players are between holes they cannot commence play until play is resumed by the Tournament Committee. If players are playing a hole they must discontinue play immediately and act according to **Rule 6-8. c**. If a player fails to discontinue play **immediately**, he or she shall be disqualified unless circumstances warrant waiving such penalty as provided in Rule **33-7**.

b) **Suspension of play: three consecutive fog horn signals:**

If players are between holes they cannot commence play until it is resumed by the Tournament Committee. If the players are playing a hole they may continue or discontinue play immediately under the condition that this does not unduly delay play. If they decide to continue playing the hole, they may discontinue at any time before concluding play on the hole as per **Rule 6-8. c**. In any circumstances play must be discontinued after completion of the hole.

c) **Resumption of play: two short fog horn signals:**

Players must resume play when its resumption is announced by the Tournament Committee.

11. Return of scorecards:

a) The Marker is obligated to record on each hole **only the scratch score of the player he or she marks, and his own score**. Responsibility for the correctness and completeness of score on the card as well as correct signing of the card, lies with the player. Score cards shall be returned by the player to the Tournament Centre to a person indicated by the Tournament Committee within **15 minutes after completion of the round**.

b) **If the player does not return the score card according to the above regulation, he/she may be disqualified**, unless the circumstances indicate that such a penalty may be waived (Rule 6-6b).

c) **Publishing results on the announcement table means “official results announcement”**.

12. CUT:

- h) In Polish HCP Championship, 50% best results and ties of each Handicap group is qualified to the final round.
- i) In each Tournament, the Committee reserves the right to change the number of players passing the CUT.
- j) R&A recommendations on the application of Rule 6-6d will be taken into account when determining players qualifying to the final rounds (cut).

13. Ties and Play-offs:

- a) **First place** shall be decided by a “sudden death” play-off over holes indicated by the Tournament Committee when announcing the play-off. If the play-off is between more than two players, it shall last until an outright winner is established. Subsequent places shall be taken by players in the reverse order of dropping out of the play-off, the later the player drops out, the higher location he shall have. If two or more players drop out on the same hole, the classification order shall be decided by scratch count back as follows: last round, holes 10-18, 13-18, 16-18, 18 of the last round.
- b) **Remaining trophy places (2 & 3)** shall be decided by scratch count back as follows: last round, holes 10-18, 13-18, 16-18, 18 of the last round.
- c) **Further places (fourth place and on)** – in case of identical total scores the places shall be allotted ex-aequo.
- d) **In Stroke Play Net** classification (if run in a particular tournament), the order in classification is determined in the following way: better stroke play net result of the last round, better results in holes 10-18, 13-18, 16-18, 18 of the last round, lower play HCP. This rule does not apply to the Polish Championship in Handicap Groups.

14. Prizes:

In PGU 2018 Championship Tournaments, the scratch and net prizes are mutually exclusive. Player placed 1 to 3 in the scratch category (main category) is automatically excluded from receiving prizes in the net category. In such case, the net prize automatically moves onto the next player in the net classification.
